

# QUAIL CREEK POTTERY AND SCULPTURE CLUB POLICY AND PROCEDURES

## GLAZE & CLAY COMMITTEE

### **Policy:**

The Glaze & Clay Committee acquires information on glazes, underglazes, slips, and clays. The Committee makes recommendations to the Board about a variety of clay bodies and glazes that are available for members to use.

### **Procedures:**

The Glaze & Clay Committee Chairperson:

1. Provides information to the Board about glazes and clays to be purchased.
2. Maintains all studio glazes and slips.
3. Conducts tests on glazes and clay combinations by preparing test tiles using the clays available in the studio. Recommends to the Board the addition or elimination of glazes and clays. Maintains glaze test tiles and replaces when necessary.
4. Trains qualified members that wish to be on the Glaze & Clay Committee.
5. Recommends Committee members to be instructors in glaze certification and works with the Education & Certification Committee Coordinator as appropriate.
